- 1) The trial and pretrial conference will not be set at this time. The status conference set for June 13, 2023 to discuss case progression, the parties' interest in settlement, and the trial and pretrial conference settings is **continued** and will be held with the undersigned magistrate judge on **September 12, 2023** at **9:30 a.m.** by telephone. Counsel shall use the conferencing instructions assigned to this case to participate in the conference.

filed by July 17, 2023.

Note: A motion to compel, to quash, or for a disputed protective order shall not be filed without first contacting the chambers of the undersigned magistrate judge to set a conference for discussing the parties' dispute.

- 4) The deadlines for identifying expert witnesses expected to testify at the trial, (both retained experts, ([Fed. R. Civ. P. 26\(a\)\(2\)\(B\)](#)), and non-retained experts, ([Fed. R. Civ. P. 26\(a\)\(2\)\(C\)](#)), are:

¹ While treating medical and mental health care providers are generally not considered "specially retained experts," not all their opinions relate to the care and treatment of a patient. Their opinion testimony is limited to what is stated within their treatment documentation. As to each such expert, any opinions which are not stated within that expert's treatment records and reports must be separately and timely disclosed.

- 10) The parties shall comply with all other stipulations and agreements recited in their Rule 26(f) planning report that are not inconsistent with this order.
- 11) All requests for changes of deadlines or settings established herein shall be directed to the undersigned magistrate judge, including all requests for changes of trial dates. Such requests will not be considered absent a showing of due diligence in the timely progression of this case and the recent development of circumstances, unanticipated prior to the filing of the motion, which require that additional time be allowed.

Dated this 29th day of December, 2022.
